#### ■ Main strategies for FY 2016

- ▶ Develop domestic business with new growth engines & increase retention of profitable accounts
- Expect increase in profitability and growth of overseas business due to high credit rating
- ▶ Shanghai branch is currently being established and scheduled to be fully operational within 2016
- To improve ROI, planning to reorganize investment P/F (Overseas bonds & alternative invest.)
  - → Closely monitored by risk management team so as not to erode adequate RBC ratio

(Unit · KRW Ril )

## **Diversification**

- **■** Low dependency on top non-life Korean insurers
  - Samsung Fire & Marine Treaty : 9% (2005)  $\rightarrow$  3% (2015)
- Exploration of new markets such as cooperatives & overseas business
- **■** Increase of profitable facultative businesses
